

## **GAIN TEACHING EXPERIENCE AT A SUPPORTIVE, PROFESSIONAL, BRITISH COUNCIL ACCREDITED SCHOOL THIS SUMMER**

Select English runs high quality summer courses for international students at a number of locations in the UK. We are now looking for enthusiastic, hardworking, professional EFL teachers for July 2017.

We offer competitive rates of pay, an excellent teacher development programme and a supportive, friendly working environment. Many of our teachers return year after year and recommend us to their friends. In 2016 over 60% of our summer school staff were returners.
