Who we are

Cloverleaf is the biggest language school in Ostrava, Czech Republic and an authorized Cambridge English examination centre. We have a number of classes to suit all types of teachers levels ranging from beginners to C2. We have a variety of different classes with children, adults or business classes and teachers have the ability to adapt their schedule to what suits them. We have many possibilities for personal development with in-house conferences, teacher training and official Cambridge examiner training.

Where we are

Ostrava is an old mining city on the Eastern side of Czech Republic. It may not be the most beautiful city but it is packed with culture and atmosphere. There is plenty to offer those who don't want to get overwhelmed in Prague with many cultural food, cinematic and art events as well as the biggest festivals in Ostrava - Colours of Ostrava and Beats for love.

What we are offering

We would like to offer prospective teachers a schedule from 20 hours a week which could be taught in-house or externally. Furthermore we are able to help with governmental applications and start up accommodation.
