

TEACH ENGLISH IN JAPAN

We have year-round opportunities to work in this fascinating country. Japan is a great place for newly-qualified teachers to start. The money is good, social life busy, the cultural experience is amazing, there's loads to do and the students are lovely!

- Excellent pay and conditions
- Good academic support
- 25 contact hours per week
- Accommodation arranged
- Generous holidays

Tefl In Japan is a UK-based company which helps teachers get jobs in Japan. We know and love the country and only send teachers there, so we won't try to persuade you to go somewhere else! For more info and an application form please e mail tim@tefl-in-japan.com
